POLICY ON USE OF CAMP FACILITIES

All Boy Scouts of America rules and regulations on camps are to be followed at all Coastal Carolina Council Camps. The following are specific rules of the Coastal Carolina Council but should not be construed as being all-inclusive. BSA rules and guidelines apply during Summer Camp.

General Rules

1. All Council events, Districts and Units shall make reservations at least two weeks in advance with the Council Office for the use of the Camps, Camps Facilities, and/or equipment. The reservation forms that should be submitted are in the “Coastal Carolina Camp Use Forms” and also available at the Council office. (Fees apply to some buildings).
2. Unit leaders, event directors, and guests/visitors must check in with the Camp Ranger or Campmaster upon arrival at camp. Check in is from 9AM to 9PM at Camp Ho Non Wah. Check-in at Camp Moultrie is from 6 PM to 9 PM or by appointment. Reservation confirmation should be presented at time of check in.
3. The Scout Oath and Law, Cub Scout Promise, Venture Oath and Outdoor Code should be followed in Camp at all times.
4. Two registered adult Scouters, or organization leaders, 21 years or older, must be in camp and in charge of each unit at all times. Two-deep leadership shall be observed at all times and will be strictly enforced. The whereabouts of all youths while in camp is the responsibility of the designated leader.
5. “BSA Youth Protection” policies shall be observed at all times.
6. Events and units with coed participants at camp must have both male and female adult leadership, 21 years of age or older, at all times.
7. Any event with more than 50 participants must have a Health Officer. The minimum qualification for a health officer is current American Red Cross First Aid Certification and current CPR Certification (or current certification through another nationally-recognized agency).
8. The speed limit on all roads at camp is 5 mph.
9. **No vehicles are allowed in camp** (“camp”, regarding vehicles, is defined as all areas beyond the entrance gate at the camp’s main parking lot). Any council or district event needing vehicles in camp must have a plan pre-approved by the Camp Ranger at least two weeks before the event. Any disabled person needing assistance should contact the Camp Ranger or Campmaster.
10. Parking areas are for parking of vehicles only and shall not be used for camping or overnight accommodations.
11. No individual will be allowed to ride on the outside of a vehicle, or in the bed of a pickup truck, or in a trailer. No more than the legally allowable number of passengers shall ride inside any vehicle at any time. Seat belts shall be worn in vehicles at all times. *Council and district events may be granted an exemption under national policy.*
12. Carts maybe provided for the use of transporting equipment to and from campsites. These carts can be dangerous if improperly used. Youth are not to ride in these carts and shall be supervised when using carts.
13. **Dogs and other personal pets are prohibited** when Units, Scouts or Campers are in camp. ADA Service animals are allowed for the disabled when accompanied by their partner.

14. Personal firearms, ammunition, air rifles, pellet guns, bows and arrows, and slingshots are not allowed in camp without permission from Certified Range Officer AND Camp Ranger.
15. No open flames, candles, stoves, gasoline, kerosene lanterns, or heaters are allowed in tents. Liquid fuel, propane lanterns, and stoves must be operated in a safe manner under adult supervision and according to the "Guide to Safe Scouting" booklet. Fuel supplies must be stored separately and secured.
16. Fires shall only be built in the fire rings that are provided at each campsite. There shall be only one fire per campsite. Units and organizations sharing a campsite must share a fire. Fires must not be left unattended. Unit and organizations shall provide shovel and fire bucket with sand and/or water. Units, organizations and/or persons not following fire rules shall forfeit any deposits and may also be asked to leave camp by the Camp Ranger or Campmaster. District or Council events that want to have fire in the campsites shall mark a safety area around the fire ring as to prevent anyone from setting up a tent or canopy too close to the fire ring. The event leadership will assign a Fire Warden to each Campsite with a fire. The Fire Warden shall be responsible for seeing that the rules for the fire are followed and the fire is handled in a safe manner. The Fire Warden shall report any violation or safety concerns to the Event Chairperson and the Camp Ranger or Campmaster.
17. Know and use the camp Fireguard plan and unit Fireguard Chart. More information about these documents may be found in the "Guide to Safe Scouting".
18. Everyone in the campsite should know the location of all firefighting equipment in the campsite. Leaders should ensure that this equipment is not used for any other purpose.
19. No pallets or wood with metal should be burned at any fire in camp.
20. The Camp Ranger or Campmaster may limit or eliminate the use of fires at any time deemed necessary.
21. Conserve water. Turn off faucets, wash stands and /or showers. Facilities are not to be used to wash dishes or laundry.
22. Do not cut any live tree, shrubs, or underbrush. Exceptions can be made only by the Camp Ranger.
23. Conservation projects for the camp must have two (2) weeks advance approval from the Camp Ranger or Campmaster.
24. Any service project must be approved two weeks in advance.
25. Quiet time is 10:00PM to 6:00AM. Respect your neighbors.
26. No alcoholic beverages or illegal drugs are allowed in camp.
27. Tobacco use in front of Scouts is prohibited under BSA National Policy. Each camp has a designated smoking area. Check with the Camp Ranger, Campmaster, or Event Chair/or Leader for this location. There is **NO SMOKING** in any building on camp property.
28. The possession or use of any fireworks in camp is forbidden.
29. All persons shall stay on camp property and should not trespass on adjacent property.
30. All illegal activities shall be reported to the appropriate authorities.
31. For the purpose of this manual "Council Event" is any event that is approved by the Council.

32. All trash will be placed in the dumpster if provided at camp. In cases where there is not a dumpster or the dumpster is full, all trash will be removed from camp and taken home. At no time is trash to be buried in camp.
33. All facilities, grounds and/or campsites used by units or events must be properly cleaned before leaving camp. Clean-up supplies may be issued by the event quartermaster, Camp Ranger, or Campmaster.
34. Before leaving camp, the Unit Leader or Event Leader shall be checked out by the Camp Ranger or Campmaster and at that time, a completed "Camp Check Out Sheet" must be turned in to the Ranger or Campmaster. Failure to do so will result in forfeiting all deposits.
35. Key access to any Camp Building must be obtained by the Event Leader from the Camp Ranger or Campmaster.

Note: The violation of any of these rules may be grounds for immediate removal from camp by the Camp Ranger, Campmaster, or Scout Executive.

CAMP EMERGENCY PROCEDURES

UNUSUAL WEATHER CONDITIONS: (Tornados, hurricanes, etc.)

The Camp Ranger or Campmaster will stay informed by radio at all times of current weather conditions. Event leaders and/or unit leaders will be informed immediately when any adverse conditions are expected. The Camp Ranger or Campmaster shall have final authority to close camp if they deem weather conditions unsafe.

Lightning Alert System:

Located on top of the Dining Hall and central showers by the lake, will sound a blast on the horn (one long 15 second blast) and a yellow strobe light will flash if conditions for lightning become present within an area around camp. This system is designed to help us "Be Prepared" for possible bad weather conditions. Please note, this system is an advisory type system, please take appropriate action as required. The strobe will continue to flash until the all clear is sounded. The Camp will be notified of the "ALL CLEAR" by three short 5 second blasts of the horn and the strobe will be extinguished.

TROPICAL STORM WARNING AND HURRICANE WARNING:

When a Tropical Storm warning or a Hurricane warning is issued within the area of camp the **CAMP WILL CLOSE**. All units will be required to return home.

TORNADOS:

The following rules shall be followed during a tornado watch or warning:

1. Event leader and/or unit leaders will be notified by the Camp Ranger or Campmaster when a warning is in effect or a watch should be observed.
2. Should a tornado be sighted, have all Scouts evacuate the campsite and have them lie down in a depression, ditch or ravine previously selected. If you are caught in open area, then always move at right angles to the tornadoes path.
3. Do not attempt to gather in any building or in vehicles.
4. Do not call the local weather station except to actually report a tornado as you might be tying up important phone lines needed for an emergency.
5. If you have a radio, keep it tuned to the local weather station.

FIRE:

General rules for handling and reporting a fire:

1. If you spot a fire and can put it out **quickly and safely**, do so.
2. If the fire is out of control, either send a runner, or go yourself, to the Emergency Bell located on the side of the Trading Post at Camp Ho Non Wah and sound the bell. At Camp Moultrie, go to the Camp Ranger's Cabin.
3. Give information on the fire and exact location of the fire to the Camp Ranger or Campmaster. The Camp Ranger or Campmaster will call the Fire Department if assistance is needed. Assistance may be solicited from adult unit leaders and older Scouts if needed and only if it can be done safely. **Personal Safety** is paramount for anyone fighting a fire.
4. Upon the sounding of the emergency alarm, all units shall assemble at the Council Fire Ring at Camp Ho Non Wah or the Ranger Cabin at Camp Moultrie to await instructions. Individuals away from their campsite when the alarm is sounded should immediately go the Council Fire Ring at Camp Ho Non Wah or the Ranger Cabin at Camp Moultrie. They should not attempt to return to their campsite to join their unit.

WATERFRONT EMERGENCIES

If there is an emergency at the waterfront, the person in charge will begin sounding a very loud compressed air horn with a series of three short blasts and should send a runner to sound the emergency alarm. If the emergency alarm is sounded, all campers regardless of their location on camp should immediately go to the Council Fire Ring if at Camp Ho Non Wah or the Ranger Cabin at Camp Moultrie.

FIRST AID / MEDICAL EMERGENCIES

During District or Council events an adult with current certification in First Aid and CPR will be on duty to handle emergencies at all times. Otherwise, the Camp Ranger, Campmaster or the Camp Director should be contacted if first aid assistance is needed. All cases where a doctor's care is needed will be reported immediately to the Camp Ranger or Campmaster. The Camp Ranger or Campmaster will immediately contact the Scout Executive. In the case of a District or Council activity, the Staff Advisor has the responsibility to contact the Scout Executive.

MISSING PERSON

The unit or event leadership should follow the following procedure if a missing person is suspected:

1. Camp Ranger or Campmaster is notified that a person is missing.
2. Emergency alarm is sounded to assemble at the Council Fire Ring for Camp Ho Non Wah or the Ranger Cabin at Camp Moultrie to await instructions.
3. Assembled groups will conduct a head count to confirm missing person.
4. Last known whereabouts of missing should be obtained and checked out.
5. Health Lodge should be checked for missing person.
6. The Camp Ranger or Campmaster will call local law enforcement authorities for assistance if necessary.
7. The Camp Ranger or Campmaster will immediately notify the Scout Executive.

ABUSE

Follow current BSA Youth Protection Guidelines

FATALITY or SERIOUS INJURY

Local authorities (EMS, Police, etc.) must be notified immediately.

If a fatal or serious injury occurs it is important that everyone remain calm and safely clear the area of Scouts and all other non-vital people.

If it is a dangerous situation it is important that we do not make a bad situation worse by attempting to rescue or recover the victim if it will put others at great risk.

Camp Ranger, Camp Director or Campmaster must contact the Scout Executive IMMEDIATELY.

The Scout Executive is the only person authorized to speak with the media. It is important for the privacy of the family that the Scout Executive be the sole spokesperson.

After the danger has passed a roster of those that were present and may have witnessed the incident along with their contact information should be made to expedite the investigation. DO NOT "clean-up" or disturb the area of the accident without the approval of the authorities or the Scout Executive. Secure the area as best as possible.

Please refer to the “Guide to safe Scouting” for additional requirements for aquatic activities.

The following rules must be observed:

1. For swimming at Camp, the Safe Swim Defense Plan must be followed entirely.
2. The Swimming Area must be surveyed to insure the swim area is safe, as outlined in “Safe Swim Defense”
3. An adult, at least 21 years of age and holding a current “Safe Swim Defense” certification, must be present at all times during the swimming activity.
4. Appropriate water footwear must be worn at all times while swimming in the lake.
5. Any boating activity must be supervised by an adult at least 21 years of age who holds a current “Safe Swim Defense” and “Safe Afloat” certification. They must be present at all times during the activity.
6. A person holding a current CPR certification must also be present at all times during swimming or boating activity.
7. The Lake Front is available on a first-come, first-served basis. Units are encouraged to share the waterfront and participate in activities together.
8. The Lake Waterfront Area must be left clean and all trash removed after use.
9. Any damage must be reported to the Camp Ranger or Campmaster.
