

Eagle Scout Project Strongly Recommended Submission

Dear Future Eagle Scouts,

We are thrilled to present you with an exciting opportunity to showcase your [Eagle Scout project](#) in our magazine, [Scout and About](#). We invite you to submit an article detailing your project, along with accompanying photos, to our editorial team for consideration. If selected, your article will be published on our website and featured in the next issue of *Scout & About*. We believe that having your project published will not only enhance your college and career applications but also make your scout leaders and family proud of your accomplishments.

We **strongly encourage** all Eagle Scouts to submit their projects for the chance to be seen by our 6,000+ subscribers and even more through our website. Our newly revamped website offers several exciting features, including an active calendar of all scouting events, allowing you to register for programs with just a click.

To submit your article, please visit our website at www.CoastalCarolinaCouncil.org. You'll need to complete a one-time registration at this link: <https://coastalcarolinacouncil.org/author-registration/> to become our next published author.

If you encounter any technical difficulties or have questions, please don't hesitate to reach out to Emily Wilber at Emily.Wilber@Scouting.org or call the scout office at (843) 763-0305.

Congratulations on achieving the rank of Eagle Scout! We look forward to reading and sharing your project with our scouting community.

Yours in Scouting,
